## **Theme: Autumn around the Gnome house and the animal forest**

**Dear parents, care takers,**

In this theme we play with our children about the season “ Autumn”

The children play the role of Gnome or the Forester They take care of the snail, the spider and the squirrel among other things.

The corners will be transformed in : the little house of the Gnomes , or the house of the Forester.

### **Create together with your child an autumn box:**

Collect along with your child in the garden, Park Forrest, autumn stuff like autumn leaves, Chestnuts, twigs pine cones, and past or put Them in the shoe box.

**This is a picture with an example →→→→**

**Sing together in Dutch :**

**Op een grote paddenstoel,  
Rood met witte stippen.  
Zat kabouter Spillenbeen,  
Heen en weer te wippen.  
KRAK zei de paddenstoel met een diepe zucht.  
Twee kabouter beentjes vlogen hoepla in de lucht!**

**Wij wensen U veel**

**Speelplezier !**
